Invitation

GPs are invited to attend an evening discussion on general practice and primary care challenges and opportunities with the Hon. Michael Ferguson MP, Minister for Health.

These regional meetings are informal sessions organised and hosted by the Tasmanian General Practice Forum. This is an excellent opportunity for GPs to share their own experiences, perspectives and ideas with the Minister for Health to ensure the Tasmanian health system is informed by a strong primary care voice.

About Tasmanian General Practice Forum

The Tasmanian General Practice Forum comprises senior administrative and clinical representation from the Australian College of Rural and Remote Medicine, Australian Medical Association Tasmania, Royal Australian College of General Practitioners Tasmania, Rural Doctors Association Tasmania and Primary Health Tasmania. The organisations came together in 2014 to establish a forum of significant value and strength for discussion and positioning on key issues and challenges, and a mechanism for joint advocacy on important matters concerning general practitioners and the general practice sector.
