

Science. Compassion. Action

Multidisciplinary Program

Talking About Suicide Prevention in Practice

Audience

Health Professionals

Duration & Format

3-hours online.

Topics

Topic 1

The Suicidal Crisis

Topic 2

Acute Management

Topic 3

After the Attempt

Topic 4

Bereaved by Suicide

Description

The Talking About Suicide Prevention in Practice workshop aims to increase Health Professionals skill and confidence in:

- Recognising presentations where suicide risk is high;
- Undertaking a detailed risk assessment;
- Management planning using a collaborative, team based approach.

Learning Outcomes

By the completion of this program participants will be able to:

- Undertake a suicide risk assessment effectively
- Develop a collaborative safety plan
- Provide effective management following a suicide attempt

Accreditation

- 3 CPD hours (RACGP & ACRRM)
- Mental Health CPD (GPMHSC)
